The Wild Women of the White House!

Which first lady was called “the acting President?” Who was our first-ever student commencement speaker? What movie did Barack Obama and Michelle see on their first date?

Here is a rare peek inside the doors of the world’s most famous address-1600 Pennsylvania Avenue! Take a tour from the restless Lincoln bedroom to the basement bowling alley, and out to the Rose Garden, where the Clinton’s installed a seven-seat hot tub. Enjoy a visit complete with the backdoor backstories these fascinating femmes who lived, loved, and learned inside The White House.

Part irreverent portrait gallery, part exuberant expose, *Feisty First Ladies and Other Unforgettable White House Women* introduces a remarkable array of wild women, from first first lady Martha Washington, to hot hostess Dolley Madison, and all the way to the 21st Century first mates who stood by their men, oftentimes making a lot of news on their own. Author Autumn Stephens also dishes on the daughters like Reagan rebel Patti Davis, Tricia Nixon, Susan Ford, and Amy Carter, and Mary Cheney who were the tabloid fodder of their day.

Autumn Stephens is the author of the best-selling and groundbreaking *Wild Women* series. She runs a very popular writing workshop series in the Bay Area and has been featured in *Glamour*, the *San Francisco Chronicle*, and *The New York Times*. She lives in Berkeley, CA.
